**I'm De'Montae Slaughter and I'm a student of Akins High School in Austin, Texas. I love school it took a lot to get where I am today at the best High school I've ever been to. I'm a very hard worker and I keep my grades very high. I am looking to go to college; I prefer maybe Virginia Tech, Baylor, Texas, etc.... I'm also a student athlete my school work always come before any extracurricular activities, I play many sports including football, basketball, tumbling, and track.**

**Background One Project**

**I used flash to create this simple background for my first project in Animation class. I used a rectangle tool with a gradient for the sky and then outlined my clouds and filled them. I drew mountain shapes and had to close every shape to fill it with a color. I did for the hills and the river.**

## 2. Project Two Characters

**I did research to find good looking butterflies and copied the one I liked loosely I also looked at images of explosions to create my mine but I made up the lightning on my own.**

## 3. First Flash Animation

**I used the timeline, motion tweens, frames, and key frames to create a short animation that we worked on as a class. The butterfly was a repeated animation in the library and I also used the motion preset for the smoke.**

Script

INT: OUTER SPACE

Jim the astronaut is floating to a spaceship

Jim

Pssh I'm coming back to the ship, over

Lisa another astronaut responds

Lisa

Alright I'm ready for you, over

Lisa opens the doors for him and shut them after he comes in, Jim and Lisa meets up near the doors

Jim

Just as I suspected we are getting close to Mars I could feel the gravitational pull when I was out there, if it wasn't for my cable I could have died also we are expected to be landing there in a matter of minutes prepare yourself

Lisa

Thank god you didn't die

Ext: the ship get closer and closer to the dry red planet

Jim

In t-1 min we will be the first ever people on Mars

Ext: the ship lands and Lisa comes out

Lisa

Suck on this Armstrong

Lisa motions Jim to bring out the flag. I'm stuck the flag in the ground and start grinning

Jim

I have now achieve all of my dreams this is the happiest day of my life
